## Wednesday Communications to Parents

January 4, 2012

Hope everyone had a wonderful holiday and vacation!

**Powerschool Tutorial** – Thanks to all of you that watched the tutorial video on Powerschool e-mail updates and if you have not watched it yet here is the link: <http://www.youtube.com/user/sau14epping?feature=mhee#p/a/u/0/VxYriA5bLQA>. I have received many positive calls in regards to this. The one thing that I neglected to tell you is that when you are in Parent Portal and want to either add or change your e-mail you can do it right on that page. You can enter as many e-mail addresses as you'd like. All you have to do is enter either your new address seperated by a comma or enter a whole new address and it will automatically update the new information in our Powerschool system. K. Repucci.

**Technology Reminder** – with many students receiving tablets, nooks, kindles, etc. it is very important to know that it is the **student's responsibility** for the devices. Students need to be responsible for following school technology rules as well as keeping their technology safe.

**No School** – just a reminder that there will be no school on Friday, January 13<sup>th</sup> for teacher's professional learning day and also on Monday, January 16<sup>th</sup> for Martin Luther King, Jr. holiday.
