

Becoming a Love and Logic Parent®

Facilitated by Ken Munger, MA, LMFT

www.kenmunger.com

Do you want your child to be respectful, responsible at home and successful in school?

Would you like to increase the chances that your student won't participate in risky behaviors? What about learning some positive ways to respond when they do?

Come and have FUN learning ways to raise your child so you don't have to break a sweat.
