

## Mrs. Bliss' Classroom

Dear Parents and Students,

I hope everyone is having a wonderful summer. It's now time to look forward to your upcoming year in *Second Grade*. We're going to have tons of fun! I just can't wait to meet you.

We have supplied crayons, scissors, markers, rulers, glue, note books, and homework folders for every student, so you need not send in these items. However, if you have already purchased the materials, great! Save them for your student's homework supply kit. Your child will need them to complete homework assignments throughout the year, or you may make a donation to the classroom.

If your child is buying daily snacks at the cart, please send the money in separately, not in their lunch money. Because snack time is short (10 minutes), students bringing snacks from home should arrive with just ONE healthy snack such as crackers, fruit, vegetables, and a drink.

Please write your student's name on all outdoor clothing, boots, and school articles in order for lost items to be easily returned to their owners.

Because toys are frequently an academic distraction, easily broken, and often lost, or taken, it is requested that they remain at home.

At the beginning of each week, a homework assignment sheet, and a spelling list will be sent home. Please look for these on Monday nights.

By working together, we will all be able to make this a wonderful year for each and every child. If you have any questions, or concerns, please feel free to call me at school or on my cell phone at 603-339-0832.

Sincerely,  
Valerie Bliss
