

October 15, 2010

Pumpkin pops are now on sale!!! We have used up all of our pops and orange paper. If you can send in a donation of materials or funds to buy materials it would be appreciated. This fundraiser helps support the 2nd grade.

Our field trip is Thursday. I am still looking for 2 chaperones. The cost is \$8.00. If you are interested please send me a note or e-mail. Thank you.

Conferences are on Friday, November 19th. Several parents signed up for a time at Open House. I will send reminder cards with your time slot as the date approaches. I have the following slots still available: 11:30, 12:30, 1:00, 1:30, 2:00, and 3:00. Please let me know if you are interested in one of these times. If this day is not good for you please let me know and we can make other arrangements.

Water bottles are allowed in the classroom. We do not have a water fountain in our room. It takes the kids a long time to walk all the way down to the lobby fountain and return. Please send in a bottle with your child. Thanks.

I would like to plan a small Fall Festival the afternoon of Oct. 29th. If you can help out please let me know. I will send home more information next week.

October book orders are due Wednesday.

Have a BOOO-tiful weekend!
