

Dear Parent(s):

August 3, 2010

I hope everyone has had an enjoyable and restful summer. My first and most important initiative as your new principal is community outreach and involvement. I respect, appreciate, and encourage parent and community involvement in the lives of our students. This summer if I can be of any assistance to you or your student, please know that I am in the office Monday through Thursday 7am to 3pm. My commitment to you and your student is my first priority, so if you need anything please contact me to schedule a meeting.

The office staff at the high school has been quite busy this summer working on behalf of your student(s). Please take a few minutes to read this letter because it contains important information that will help facilitate a great orientation and opening of the school year for your child.

As the 2010-2011 school year approaches, we are pleased to announce that the freshman teachers will be conducting orientations for both freshman and parents of freshman. The parent orientation is scheduled for Thursday September 2nd from 4-6pm and freshman student orientation is scheduled for Friday September 3rd from 9-11am at the high school.

Athletics at the high school will begin in two phases. Phase one starts with football practice on August 11th, and phase two begins August 16th with all other fall sports. If you have any questions about athletics, please contact our Athletic Director, Larry Averill, at 679-5472 x253 or laverill@sau14.org

Our new guidance team is Julie Morin (Guidance Counselor), Melorah Bisailon (Alternative Program Counselor), and Don Roussel (Behavior Specialist). This team has been discussing school and program needs for both specific grade levels as well as the whole school. If you have any questions about scheduling or guidance services, please contact Tracy Bell (Guidance Secretary) at 679-5472 x217.

The greatest resource a successful school has is its people. Parents and community support is essential to who we are and what we hope to accomplish. I look forward to working collaboratively with staff, parents, community, partnerships, and district personnel to create a positive school culture and effectively convert that culture into student success. Thank you again for your continued support and cooperation. I am very proud to serve as your principal.

Just in case you lose or misplace any of this information it can all be found on our website (www.sau14.org/EHS/principal) and we will also send it home to each active email address we have in our database. We look forward to seeing you soon and to a great 2010-2011 school year.

Sincerely,

Kyle Repucci
Principal
