

EBCE – SCHOOL CLOSINGS

The Superintendent is empowered to delay or close the Schools, or to dismiss students early in the event of hazardous weather or other emergencies which threaten the health or safety of students and personnel. At the beginning of the school year, the Superintendent will designate a District Emergency Closings Coordinator to consult on school closings and to make decisions regarding school closings in his/her absence.

Students, parents, and staff shall be informed early in each school year of the procedures which will be used to notify them in case of emergency closing, whether action is taken before or during school hours. When schools are closed for emergency reasons, staff members will comply with Board policy in reporting to work.
