

JLIA - SUPERVISION OF STUDENTS

The School Board expects all students to be under assigned adult supervision at all times when they are in school, on school grounds, traveling for school programs, or engaging in school-sponsored activities.

School personnel assigned this supervision are expected to act as reasonably responsible adults in providing for the safety of the students in their charge. In keeping with this expected responsibility, no teacher or other staff member will leave his or her assigned group unsupervised except as an arrangement has been made to take care of an emergency.

During school hours, or while engaging in school-sponsored activities, students will be released only into the custody of parents or other authorized persons.
