

JM - STUDENT AWARDS AND SCHOLARSHIPS

The Board offers a variety of awards and scholarships sponsored by groups and individuals.

Any new award must be approved by the Board. The Board will not accept the offer of any award which is discriminatory on the basis of religion, race, color, creed, national origin or sex.

A complete list of awards and scholarships is to be available at the High School Guidance Office.

The Board encourages the professional staff to maintain a set of criteria and procedures for presenting letters or other suitable awards to students for scholarship and distinguished service in any school activity. In all cases the relationship between the award and the relevant goal or goals of the school should be reviewed.

The professional staff is authorized to review and approve, or reject, proposed trophies, prizes, scholarships, or other awards from non-school donors if the answer to the following questions are in the affirmative.

1. Can the proposed award be considered free from motives of personal or corporate gain and publicity?
2. Are the criteria for making the award under the control of the professional staff, or acceptable to the staff?
3. Are the purposes, either implied or explicit, of the proposed award consistent with our schools' goals?
