

IKFA – EARLY GRADUATION

The Board supports early graduation as a means to earn a high school diploma. Parental involvement for students under the age of 18 is required. The High School Principal will develop early graduation procedures and communicate these procedures with students, parents, and school staff.

The High School Principal will approve early graduation requests if he/she determines that all State and District graduation requirements will be met and that early graduation is related to career and/or educational plans of the student making the request.
