

Reopening Task Force 2/16/21 Notes

Remote meeting

1. Vaccination Update
 - a. Still many 1B folks need their second vaccination
 - b. Gold star for Christine for being first to get staff numbers in to the state re: vaccines
 - c. No additional update for
 - d. Staff question re: quarantine requirement after travel or close contact if you had both vaccines - need to be 14 days past the second vaccine
2. ESSA Grant Update
 - a. Substantial \$365K (spend in the next two years)
 - b. Reimbursement system - we spend money on approved areas and then ask for reimbursement
 - c. Suggestions: summer programming, technology; elementary wifi connectivity; SEL
3. 10 Day Quarantine
 - a. DHHS started contact tracing again and are telling folks they need to do the 10 day and not requiring a negative test
4. Survey Results
 - a. Our current safety measures are effective
 - b. Is the data still accurate?
 - c. Students will be reminded of routines and procedures after break
 - d. The remote Friday is still helpful
 - e. Low number of respondents
 - f. Future surveys - be sure to give the due date
5. Other:
 - a. Question - should we be remote the week after vacation? No evidence to support that it would help
 - b. March agenda item - look at post February vacation data - need for closure after April break?
 - c. Follow up on kids who travel over vacation to be sure they follow quarantine
 - d. Questions brewing about prom, graduation, etc.; what about concerts?
6. Next Meeting: March 16th 3:30 - 5:00
