

Task Force Meeting 5/25/21

1. Current CDC recommendations: continue with masks and physical distancing. Dr. Chan's slides are available online. We will not make any changes at this time.
 - a. What about summer programs? Stick with current plan for summer
 - b. We do not know vaccination of about 50-60 staff members; adults continue to wear masks; we should ask staff again to share
 - c. Bill will send the information to families on Friday with the links
2. DPHS Guidance for fall plans
3. Considerations for School Year 21-22 - New Plan to be updated May 28, 2021
4. 2021-2022 COVID Draft Plan
 - a. Reviewed draft
 - b. No synchronous teaching offered next year
 - c. VLACS and APEX will be options
 - d. Two weeks notice for students returning to in-person
 - e. Plexiglass?
 - f. Change wording in phase 4 - get rid of "3ft"
 - g. Buildings may not be in the same phase - ex. No vaccine for under 12
 - h. Phase 4 - who decides about PPE? Student, parent, staff member
 - i. Phase 4 - masks TBD or "in accordance with DHHS guidance"
 - j. Phase 4 - contact tracing plan; assigned seating; lunchroom seating; bus?
 - k. Phase 5 - personal hygiene encouraged
 - l. Phase 3 - do we need the line about the cases in the seacoast area? Take that out
 - m. Social distancing - 3feet or say "social distancing to the maximum extent possible"
 - n. Phase 4 - assemblies allowed? Add to the detailed documents?
 - o. Phase 5 - take out "no new infections"
 - p. Should we continue with APEX? Not great for MS - 1-1 meets; kids weren't able to manage; we will still have a person overseeing it; need to get feedback from parents; Bill will look into APEX a bit more
 - q. Let parents know what the remote options are (not synchronous); we will try to point parents to VLACS before APEX
 - r. Where does band fit into the phases?
 - s. We can revisit later in the summer to look at the current situation
5. Next Meeting: June 15th
 - a. Be sure to review guidance for summer programming
 - b. Need to start moving furniture off the stage
