Task Force Meeting Notes 5/4/21

- Use of Indoor Facilities outside organizations
 - A couple of requests
 - o Impact on facilities department this will put a strain on current personnel
 - Staff will need to work overtime to cover (fee charged is not enough to cover)
 - We should charge the actual cost of the custodians school board policy
 - Board usually waives fees for non-profit groups (ex. scouts)
 - Differentiate between Epping/local or wider area? Majority of participants from Epping?
 - Contact Tracing?
 - What does DHHS say?
 - o Max group size?
 - Should we limit the available spaces? Helps facilities
 - Criteria: limited number (capacity of the space; will be determined based on the space requested); contact tracing; impact on facilities; social distancing; masks; sign in sheets; local community cohort (what about playing other towns?)
 - Bill will work with Joe to come up with a plan to share with the board Thursday night
- Governor's Executive Order
 - Few changes to schools based on governor's order
 - Current practices:
 - High touch areas
 - Lunches
 - Relaxing the high touch cleaning
 - Can we have more lunches outside
 - Midday cleaning
 - Mask Requirements:
 - Elementary recess masks on except for mask break spots
 - Outside classwork/read aloud if you are six feet apart and seated masks off is ok
 - Outdoor events?
 - Summer programming
 - Temperature checks/questionnaire still do questionnaire and no temp check;
 need to check MOU first
- Plan for 21-22: 5/28 deadline superintendents pushed back; schools open 5 days per week; What are some of the considerations? We can update our current plan and submit that for now until we know about changes. As of now, remote = option (not a requirement).

 Vaccination Update - not planning any local clinics; 16+ available; 12+ vaccine in the works

Next Meeting: May 25, 2021 3:30 - 5:00
