

ASBESTOS NOTIFICATION TO: RESIDENTS, STUDENTS, SCHOOL STAFF, & OTHER SCHOOL OCCUPANTS

The Epping High School and Epping Central School are subject to the “Asbestos Hazard Emergency Response Act (AHERA)”. These schools have been inspected and found to have asbestos-containing materials. School-specific written plans for the management of these materials have been developed. Plans for the Epping High School and Epping Central school are available for inspection at School Administrative Unit No.14, 213 Main Street, Epping, NH during regular office hours. Copies may be made on request at a cost of 25 cents per page. A three-year inspection by AHERA certified staff was performed September 2023 and another inspection is due for September 2026. Periodic surveillance of asbestos-containing materials by school district staff is performed twice per year.

Epping Elementary School and Epping Middle School are not subject to the “Asbestos Hazard Emergency Response Act (AHERA)”. These schools have been inspected and found not to have asbestos-containing materials.
