

EFE – VENDING MACHINES

The installation and use of vending machines in the schools will be to complement the school program, and encourage students in good eating habits. Contents of vending machines will be in compliance with Policy JLCF – Wellness Policy.

Vending machines may be operated by the school for the sale of beverages in employee and student lunch and lounge areas. The funds derived from such sales will accrue to the internal accounts funds for the individual school programs overseeing the machines.

Students will only be able to make purchases from Food and Nutrition Services machines during lunch hours. All contents must conform to JLCF policy. The School Activities Manager or Food and Nutrition Services Director will submit to the Business Admin or his/her designee annual financial reports on vending machines as part of the district's audit process.
