

Task Force Meeting Notes 3/16/21

- Vaccine on Friday - still waiting for the link/additional information; we do not know if the second shot day
 - Protocols do change re: quarantine 14 days after the second vaccine (CDC info: <https://www.cdc.gov/coronavirus/2019-ncov/vaccines/fully-vaccinated.html>)
 - Are extra vaccines available to family members?
 - Pfizer is doing trials on a child vaccine
 - Planning for staff to be sick after second shot
- Effectiveness of social distancing - may end up changing from 6 to 3 feet
- Remote Fridays - should we consider removing some?
 - Reasons for having remote Friday haven't change
 - Students would have a hard time with this decision (high school)
 - 5 or 6 Fridays after the full vaccination schedule
 - Group agrees no change at this time
- Remote numbers are declining (elementary = 8%)
- Remote after April vacation?
 - Four classrooms impacted after February
 - Would be tough to keep the kids motivated
 - Elementary has the most infected and affected
 - Group agrees that there is not sufficient evidence to be remote after vacation
 - Will look at how we are doing things at the elementary level to mitigate
- End of Year Events:
 - Prom & Graduation: both are a go with precautions (LaBelle in Derry)
 - 8th Grade Celebration - need to finalize plans; something outside - food and super fun stuff; bonfire, music, food truck;
 - Something for parents to attend? High school gym
 - Grade 5 Celebration
 - Can there be any type of end of year music event?
 - Graduate Walk Through? Outside?
 - Field Day
 - Senior dinner and awards night
- Summer Program and Extended School Year:
 - What if we have cases arise? Go remote?
 - Staff needs to know what happens if a child has to quarantine
- Future Topics:
 - Planning for 21-22 school year
- Next Meeting: April 13th
